HEALTH AND DENTAL INFORMATION

TERMINATION OF INSURANCE

Coverage for you and your dependents will cease on the earliest of:

- the contract termination date,
- the date you terminate employment,
- the date you cease to be eligible due to retirement, death, leave of absence, age limitation, change in classification, etc.

At the discretion of the employer, health and dental benefits will be extended for two months to employees terminated from redundant positions.

ALTERNATIVE BENEFIT

Where more than one form or alternative form of treatment exists, Medavie Blue Cross, in consultation with its Health Care Consultants, reserves the right to make payment for eligible services and supplies based on an alternate procedure or supply with a lower cost, when deemed appropriate and consistent with good health management.

CO-ORDINATION OF BENEFITS

In the event that benefits may be claimed under more than one section of the health care plan, the claim will be assessed in a manner that provides the greatest benefit to the employee.

If you are eligible for similar benefits under another group benefit plan the amount payable through this plan shall be co-ordinated with all benefit plans and will not exceed 100% of the eligible expense. Where both spouses of a family have coverage through their own employer benefit plans, the first payer of each spouse's claim is their own employer's plan. Any amount not paid by the first payer can then be submitted for consideration to the other spouse's benefit plan (the second-payer).

Claims for dependent children should be submitted first to the benefit plan of the spouse who has the earlier birth month in the calendar year, and then to the other spouse's benefit plan. When submitting a claim to a second payer, be sure to include payment details provided by the first payer.

Benefit payments will be co-ordinated with any other plan or arrangement, in accordance with the Canadian Life and Health Insurance Association (CLHIA) guidelines.

CONVERSION PRIVILEGE

If you should terminate employment, you may convert to an Individual Health and Dental plan currently issued by Blue Cross provided that application is made within 31 days following your date of termination. In the event of divorce, legal separation, or discontinuance of cohabitation (“common law” spouse), you may elect to continue membership of the former spouse or to provide notice to Medavie Blue Cross to terminate coverage for the spouse. Medavie Blue Cross will at no time provide coverage for more than one spouse under the same plan.
