APPENDIX A

Passed by resolution of the Board of Governors on January 23, 1998

PURPOSE: The purpose of this by-law is to determine and clarify the role and responsibility of Faculty in the academic governance of NSCAD.

Note: in 2013, the Powers and Functions of the President, and the Powers and Functions of the Members of the Faculty were enshrined in the current By-Laws. The remaining appendix items are herein retained.

BACKGROUND:

1. By s. 5 of the Nova Scotia College of Art and Design Act, the government, control, management and powers of NSCAD are vested in the Board.
2. By s. 7, the Board may appoint Faculty members and determine the duties of each member.
3. By s. 9(1), the Board may make by-laws determining the duties and functions of the Faculty.
4. The current by-laws, adopted February 4, 1993, deal with academic matters as follows:

FRAMEWORK FOR ACADEMIC GOVERNANCE

5. The assignment of responsibility to the Faculty as set out below is made with the understanding that academic governance involves interests, issues and responsibilities so diverse as to make it advisable for the Board to seek the involvement of persons representing a broad array of insights and wisdom throughout NSCAD.
6. While the Board is ultimately responsible for all matters of control and management of NSCAD, including academic governance, it recognizes that the particular knowledge, experience and sensitivity of Faculty members make the Faculty most appropriate to deal with and be responsible for those aspects of academic governance set out below, and that in order to achieve optimal academic governance at NSCAD by working together, this by-law is passed.

ACADEMIC GOVERNANCE PROCEDURES

1. Meetings of all Faculty committees will be open to the NSCAD community with the exception of meetings or the portions of meetings limited to the business of reviewing the status of individual students or Faculty members, and with the exception of meetings which a Faculty committee unanimously agrees to be held in private.
2. Appropriate notice of all meetings will be given.
3. Assignment of responsibility to the Faculty is made with the further understanding that:

 - (2) The President as the chief academic officer appointed by the Board to administer NSCAD, shall serve ex officio on standing Faculty committees, but shall not vote.

(4) Professional librarians shall be voting members of the Faculty.

(5) Students shall have representation on Faculty standing committees.

(6) In establishing governance structures to exercise the responsibilities given to it, the Faculty shall ensure that standing committees include elected representation of diverse program interests within NSCAD.
